

# MY 8 TO 15

*God calls each of us to be on mission*

## THE TCAL MISSION...

We are a family of faith, unified on mission to change our world by sharing Christ, building believers, and sending rescue.

### STEP 1 | LIST your 8 to 15.

God strategically and supernaturally placed people in your life to point them to the hope and rescue of Jesus.  
(use back to make your list).

### STEP 2 | PRAY daily for your people.

Pray for them to discover Jesus and for Him to use you to encourage them towards His rescue.

### STEP 3 | INVEST in your people.

Actively find ways to display Jesus's love and encouragement to them.

### STEP 4 | INVITE them.

Look for ways you can invite them to join you for services and other TCAL events.

### STEP 5 | PREPARE yourself.

Intentionally work toward growth to be ready to share your rescue story.

### STEP 6 | SHARE with us.

Scan the QR Code on the back and let us know you are all in so we can be praying along with you in support!

*We are therefore Christ ambassadors...  
2 Corinthians 5:20*

# MY 8 TO 15

As you think through the people God has put in your life, here are the groups to consider.

**Pre-Christians** - Those who have not yet placed their faith in Jesus.

**Prodigals** - Believers not actively pursuing faith.

**Purposefuls** - Believers who pursue faith, but God has you there to encourage their growth.

**Potentials** - Those who seem to be showing up on my life's front burner more often than in the past.
